Buy an Energy Star Appliance and Get Money Back Starting April 17!

Rebates will be offered to Nevada residents who replace a used appliance with an Energy Star qualified appliance from a Nevada retailer beginning Saturday, April 17. The \$2,495,000 Nevada Appliance Rebate Program, administered by the Nevada State Office of Energy, is being funded by the American Recovery and Reinvestment Act of 2009.

Residents who replace a refrigerator will receive \$200, a freezer \$150, a washing machine \$150, or a dishwasher \$100. Participants should first obtain a rebate reservation at www.nevadaappliance rebate.com or by calling 1-877-273-6213 on or after April 17.

Consumers can then buy the appliance, fill out a rebate application and mail the completed application along with proof of purchase and proof of old appliance pickup to the address listed on the application. A rebate credit card will be mailed out in several weeks. Reservations will be accepted on a first-come, first-served basis.

Participating retailers include all Best Buy, Ferguson, Home Depot, K-Mart, Lowe's, RC Willey and Sears locations in Nevada. Others include Bodily's Furniture in Elko, C.B. Brown Furniture Company in Winnemucca, Czyz's Appliance in Reno and Incline Village, Econ Appliance in Las Vegas, Fry's Electronics in Las Vegas, Gottfredson's in Caliente, Marty's Appliance in Minden, the Maytag Store in Reno, Osborne & Dermody in Sparks, Plaza Furniture in West Wendover, Sargents Maytag in Sparks, Sharp's Home Furnishings and Wilson-Bates in Ely.

Rebates are not retroactive and are limited to one of each eligible appliance per household. Participants may be required to provide proof of residency by showing a Nevada driver's license, I.D. card or current utility bill.
